Dear President, dear Florian,

I trust this correspondence finds you in good health and spirits!

On behalf of British Weightlifting, please accept this letter of sincere congratulations upon your re-election as President of the German Weightlifting Federation.

This honour not only represents your exceptional leadership attributes, but equally reflects your selfless commitment in pursuit of advancing our sport and our global movement for the benefit of clean athletes.

From my side, I stand ready to strengthen our partnership and cooperation even further as we continue to refresh and rebrand our sport to ensure weightlifting's position in the Olympic programme is not only protected in the short term but also promoted in the future.

Congratulations again, and of course, I remain at your full disposal.

Yours sincerely,
